Re: *In re L&L Energy, Inc. Securities Litig.*
No. 13 CV 6704 (RA)

Your Honor:

We write on behalf of Plaintiffs to respectfully request a 21 day extension of time to file the motion for preliminary approval of the class action settlement from July 28, 2014 to August 18, 2014. This is the first request for an extension. This request is made with defense counsel's consent. A proposed amended scheduling order is attached hereto.

Good cause exists for this request. The parties are diligently working to document the terms of the settlement. The parties have exchanged drafts and comments of the settlement stipulation. Additional time is required to finalize the settlement stipulation and to prepare the ancillary settlement documents, *i.e.*, the notice, claim form, proposed preliminary approval order, and proposed judgment.

Respectfully submitted,

/s/ Phillip Kim
